

My Amazing Body

<p>Sticky Knowledge</p> <ul style="list-style-type: none"> • I can name the parts of my body. • I know the what different parts of my body do. • I am starting to be aware of what the 5 senses are. 	<p>Key Vocabulary</p> <ul style="list-style-type: none"> • Toes • Fingers • Eyes • Nose • Ears • Mouth 	<p>Key Learning Intentions</p> <ul style="list-style-type: none"> • I can name different parts of my body. • I understand that different parts of my body do different things. • I can talk about different ways I can keep my body healthy. • I am starting to understand and talk about the 5 senses. 	
<p>Communication and Language </p> <p>. I will start to answer some questions. Can you name different parts of your head? What do you use to taste? What happens to your heart when you have been running?</p>	<p>PSED  </p> <p>Getting to know our friend Can you name your friends in Petals? How can you ask someone to play with you?</p>	<p>Physical Development  </p> <p>We will learn about our amazing body. What do our legs do? How far can your legs jump? What do your arms do? How far can you stretch? Can you feel your heart beating?</p>	
<p>Literacy </p> <p>Let's get reading! Can you hold the book the right way? Can you remember a part of the story?</p> 	<p>Mathematics  </p> <p>Careful counting! Can you... Count how many fingers you have? Count how many legs you have? Count how many teddies you have?</p>	<p>Understanding of the World</p> <p>How are you different to a baby? How has your body grown?</p>  	<p>Expressive Arts and Design </p> <p>Can you... Plan- think about a body and what you will need to draw? Do- draw your person Review- what do you like about your drawing? What would make it even better?</p>

Note for parents: This document is to provide you with an overview of what your child is learning at school. This is not formal homework but we would love the learning to carry on at home so please use this to start conversations or plan play activities for your child. We would love to see photos.
