

Dear Parents/Carers

What an incredible week it's been; we can't believe that it's the end of the penultimate week of our first school year!

The highlight this week was Sports Day where the children competed whilst representing their teams. A huge congratulations to Yellow Team and their supporters! Well done to every child who took part in this friendly competition.

Thank you to the parents and family members who were able to come and support the children– it really was wonderful to finally be able to invite you in for an event. We look forward to more of this in the new academic year.

COVID

We are still operating in bubbles to reduce the chance of spreading the virus but following advice from the DfE, will no longer be closing bubbles. Contact tracing has now been taken away from heads of schools and close contacts will be contacted either by PHE or the NHS test and trace systems.

A huge thank you to parents who have supported us in keeping the school community safe and the academy open. Looking at how many times other schools have seen their bubbles close– we have done very well indeed. The result of this is that our children have had a less interrupted time learning than those in our locality. Thank you.

Please check the Dates for Your Diary section to find when we return back to school in September as well as when other events will be happening next year!

Have a lovely weekend,

Mrs Chandhoke  
Principal.

## Hunting for Minibeasts!

This week, we used all of our knowledge of plants and minibeasts from our topic, to go on a hunt for bugs and insects around our school. We looked on plants, in our bug hotel, in the mud and on the field!

We learnt how to record our findings, by using a five bar gate tally system. Then, we counted in fives to find out how many minibeasts we had managed to find!

During discovery time this week, we have really enjoyed... creating Lego models and painting robots!

## Sports Day:

We competed in our first ever sports day! We all worked so well together in our teams and cheered each other on throughout. Our favourite races were the water sponge and the link relay!
